Critical Approaches to Policy and Governance (CPG-Club)

Picture by upklyak on Freepik

Who? PhDs from all social sciences working on policy, governance, bureaucracies and related topics with a critical approach.

What? Regular meetings to discuss (our) academic work.

Why? We share work-in-progress, read, and discuss to learn and build collaborations.

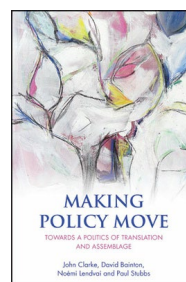

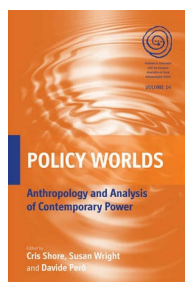

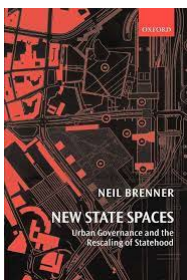

How? As an interdisciplinary reading club, we exchange ideas and engage critically with relevant literature.

Sounds like you're missing out?
